

Fintech Banking and Payments Solutions

Investor Presentation

April 2026

Disclaimers

"Safe Harbor" Statement Under the Private Securities Litigation Reform Act of 1995

This presentation may contain forward-looking statements within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements reflect the Company's current views with respect to, among other things, the Company's strategies, goals, beliefs, expectations, estimates, intentions, capital raising efforts, financial condition and results of operations, future performance and business. These statements are often, but not always, made through the use of words or phrases such as "may," "should," "could," "predict," "believe," "expect," "anticipate," "seek," "estimate," "intend," "plan," "project," "projection," "forecast," "budget," "goal," "target," "would," "aim" and "outlook," or similar expressions generally indicate a forward-looking statement.

These forward-looking statements are based on management assumptions and involve risks and uncertainties that are subject to change based on various important factors, some of which are beyond the Company's control. Numerous competitive, economic, regulatory, legal and technological events and factors, among others, could cause the Company's actual results to differ materially from those indicated in these forward-looking statements, including: the success of the financial technology and banking-as-a-service ("BaaS") industries, as well as the continued evolution of the regulation of these industries; the Company's ability to maintain and grow its relationships with its service providers and reliance on such providers to comply with regulatory regimes; the Company's ability to keep pace with rapid technological changes in the industry or implement new technology effectively; ability to effectively manage and remediate system failure or cybersecurity breaches of the Company's network security; the Company's ability to measure and manage its credit risk effectively and any deterioration of the business and economic conditions in the Company's primary market areas; the adequacy of the Company's allowance for credit losses; changes in Small Business Administration rules, regulations and loan products and the existing regulatory framework for brokered deposits; higher inflation and its impacts; the effects of changes in U.S. trade policies, including the imposition of tariffs and retaliatory tariffs on its trading partners; the value of collateral securing the Company's loans; the Company's levels of nonperforming assets; the potential for negative consequences resulting from regulatory violations, investigations and examinations, including potential supervisory actions, the assessment of fines and penalties, the imposition of sanctions, the need to undertake remedial actions and possible damage to the Company's reputation; natural disasters and adverse weather, acts of terrorism, pandemics, an outbreak of hostilities or other international or domestic calamities, including the ongoing conflicts in Iran and Middle East that can increase levels of political and economic unpredictability, contribute to rising energy and commodity prices, and increase the volatility of financial markets; anticipated benefits of new lines of business that the Company may enter or investments or acquisitions the Company may make that are not realized within the expected time frame or at all; further negative ratings outlooks or downgrades of the long-term credit rating of the United States; and the ongoing government shutdown and other political impasses, including with respect to the debt ceiling and the federal budget of the United States.

The Company cautions that the foregoing factors are not exclusive, and neither such factors nor any such forward-looking statement takes into account the impact of any future events. All forward-looking statements and information set forth herein are based on management's current beliefs and assumptions as of the date hereof and speak only as of the date they are made. For a more complete discussion of the assumptions, risks and uncertainties related to our business, you are encouraged to review the Company's filings with the Securities and Exchange Commission, including its most recent annual report on Form 10-K, subsequently filed quarterly reports on Form 10-Q and current reports on Form 8-K, including any amendments thereto, that update or provide information in addition to the information included in the Form 10-K and Form 10-Q filings, if any. The Company does not undertake to update any forward-looking statement whether written or oral, that may be made from time to time by the Company or by or on behalf of the Company, except as may be required under applicable law.

Market and industry data

This presentation includes estimates regarding market and industry data. Certain information is based on management estimates, which have been derived from third-party sources, as well as data from our internal research. While we believe the estimated market and industry data included in this presentation is generally reliable as of the date of the presentation, such information, which is derived in part from management's estimates and beliefs, has not been independently verified and we make no representation as to the adequacy, fairness or completeness of any information obtained from third party sources.

Non-GAAP financial measures

Some of the financial measures included in this presentation are not measures of financial performance recognized by generally accepted accounting principles in the United States ("GAAP"). These non-GAAP financial measures are "tangible shareholders' equity," "tangible book value per share," and "efficiency ratio." We believe these non-GAAP financial measures provide useful information to management and investors; however, we acknowledge that our non-GAAP financial measures have limitations and should be considered a supplement to, not a substitute for, the GAAP financial measure. As such, you should not view these measures as a substitute for results determined in accordance with GAAP. A reconciliation of such non-GAAP financial measures to the most directly comparable GAAP financial measures is included in the Appendix to this presentation.

Trademarks

"FinWise" and its logos and other trademarks referred to and included in this presentation belong to us and are protected by applicable laws. We refer to our trademarks in this presentation without the ® or the ™ or symbols for convenience. Other service marks, trademarks and trade names referred to in this presentation, if any, are the property of their respective owners, although for presentational convenience we may not use the ® or the ™ symbols to identify such trademarks.

Certain Terms

In this presentation, we use certain defined terms and terms understood within the banking sector and industry. A Glossary of Terms Used is included in the Appendix to this presentation.

First Quarter 2026 Highlights

Loan Originations:

Totaled \$1.7 billion, +12% Q/Q and +38% Y/Y

Credit Enhanced Balances:

\$109 million at quarter-end¹
(product full launch was in mid-2025)

Total Assets (EoP):

\$899 million, -8% Q/Q and +12% Y/Y
(Q/Q decline primarily due to decreases in interest-bearing cash deposits, loans held-for-sale and loans-held-for-investment)

Tangible Book Value per Share:

Continued to grow to \$14.34, up from \$14.15 in 4Q25 and \$13.42 in 1Q25

¹The difference between the credit enhancement loan balance reported in the Q4 2025 earnings release (\$117.9 million) and the Form 10-K (\$108.1 million) as of December 31, 2025, reflects \$9.8 million in checks received but not yet processed by a fourth-party vendor. This amount was reclassified to "Other Assets" as a non-loan receivable as of year-end.

Quarterly Results

	As of and for the Three Months Ended		
	3/31/2026	12/31/2025	3/31/2025
Income Statement Data (\$ in thousands)			
Net interest income	\$ 28,090	\$ 24,568	\$ 14,280
Total non-interest income	14,627	22,282	7,810
Total operating revenue	42,717	46,850	22,090
Provision for credit losses (Core Portfolio + Credit Enhanced) ¹	10,581	17,712	3,336

Net interest margin	12.90 %	11.42 %	8.27 %
Efficiency ratio	66.3 %	50.5 %	64.8 %
Tangible book value per share	\$ 14.34	\$ 14.15	\$ 13.42

¹ Credit Enhanced Lending program fully launched mid-2025. Provision for credit losses has increased due to higher Credit Enhanced balances. For credit enhanced loans, fintech partners are required to maintain a deposit account at FinWise, which is used to recover charge-offs. The provision for credit losses on these loans differs from the core portfolio, as it is fully offset by expected recoveries under the partner guarantee, which is recognized as credit enhancement income in non-interest income. Note: 4Q25 Net Income impacted by an increase in net-charge offs, in part stemming from a refinement of our servicing and administration standards. This resulted in a higher provision for credit losses on our traditional banking portfolio, which negatively impacted our 4Q25 net income by \$1.1 million after tax.

FinWise Overview

Differentiated Business Model

- **Resilient and profitable model** with compelling growth opportunities
- **Compliance oversight and risk management** culture
- **Lower risk loan portfolio** with disciplined underwriting and collateral management:
 - **47% of portfolio at 1Q26 is SBA Guaranteed, Strategic Program HFS and Strategic Program HFI with Credit Enhancement**¹
 - **Credit Enhanced Lending**² product incorporates a fintech financed loss reserve account structured to absorb credit losses
- **Well capitalized** significantly above regulatory requirement
- **Highly experienced team** with proved track record

Key Products

- **Banking and Payments Solutions for Fintechs:**
 - **Strategic Program Lending.** Through our scalable API-driven infrastructure
 - **Credit Enhanced Lending**². Generates lower risk asset growth (fintech required to hold a Loss Reserve Account at FinWise) and interest income
 - **Payments (MoneyRails™) and BIN Sponsorship.** Cross-sell products to generate lower-cost deposits and fee income
- **Traditional Lending.** Provides flexibility for disciplined and diversified balance sheet growth:
 - SBA 7(a), including SBA guaranteed loans
 - Residential and owner occupied CRE
 - Equipment leasing programs

¹SBA Guaranteed loans are guaranteed by U.S Small Business Administration; Strategic Program Loans (HFS) are supported by reserve deposit accounts and are typically cash-collateralized and held for less than one week; for Strategic Program HFI Loans with Credit Enhancement, FinWise is fully reimbursed for any associated losses, as each fintech partner maintains a cash reserve deposit at FinWise, which is used to absorb these charge-offs. ²See Glossary slide at end of presentation for definition of Credit Enhanced Lending.

A Proven Growth Story

Total Annual Asset CAGR*: 2010 – 2025 = 25.5%

Note: Bank-level regulatory data used for Total Assets from 2010 - 2017 and is publicly available per FinWise Bank call reports (<https://cdr.ffiec.gov/public/ManageFacsimiles.aspx>) and through S&P Global Market Intelligence. *Data shown on an annual basis; more recent quarterly results are available elsewhere in this deck or in the Company's publicly available financial disclosures.

Our Culture - Strong Compliance and Risk Management

Consistent Investment in Personnel & Infrastructure Provides Regulatory Oversight Support to Fintechs

Employees (FTEs) in IT, Compliance, Risk Management and BSA

73 (or 35%) of our 210 FTEs at the end of 1Q26 are in IT, Compliance, Risk Mgmt., and BSA functions

Note: FTEs shown as of the end of each respective quarter; does not include FTEs in Governance and Operations.

¹Does not include revenue from POS Lending Program which is an originate to hold strategy, “Other”, “Change in Fair Value on investment in BFG”, “Credit Enhanced”, and revenue generated by non-lending activities.

Note: SBA Guaranteed loans are guaranteed by U.S Small Business Administration; Strategic Program Loans (HFS) are supported by reserve deposit accounts.

Strategic Program Lending Overview: Roles of the Bank and Fintech

Loan Applications and Approvals Adhere to Credit Models Established by FinWise

A Deeper Dive Into Strategic Program Lending:

- Strategic Program Lending with fintechs launched in 2016 and has operated without interruption
- Fintechs establish reserve deposit account to guaranty settlement on Held-for-Sale (HFS) loan balances

Role of the Bank (FinWise):

- Bank works actively with fintech during due diligence to develop bank loan product through review of management, policies, processes, credit models, compliance monitoring, loan performance
- Outcome is bank loan product with regulatory safety and oversight housed at the bank
- **Adherence of loan applications to credit models** established via filters at API level

Role of the Fintech:

- Customer acquisition and loan volumes
- Sub-servicing of originated portfolio
- Portfolio funding

Growth Strategy: A Broader Fintech Solutions Offering

Business Model Prior to 2025

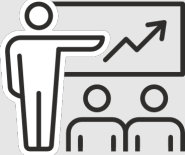

Business Model Post 2025 Expansion of Fintech Solutions

¹SBA 7(a) includes Guaranteed and Unguaranteed loans; Guaranteed loans are guaranteed by U.S Small Business Administration. Note: "Fintech Solutions" is used to describe our target market within the banking-as-a-service ecosystem.

Growth Strategy: Potential Long-term Benefits from Broader Fintech Solutions Offering

Revenue	Deposits	Credit Quality	Profitability
<p>Expand and diversify sources of revenue</p> 	<p>Diversify deposit composition and reduce cost of funds</p> 	<p>Increase Prime loan exposure</p> 	<p>Enhance profitability and oper. leverage via lower cost of funds and use of outsourced solutions</p> 

Credit Enhanced Lending - A Lower Risk Product

How it Works

Credit Enhancement & Indemnification Process: *fintech partner contractually agrees to cover credit losses on loans they refer¹*

- We compensate the partner for risk by paying them for credit enhancement – reflected as Credit Enhancement Servicing and Guarantee Expense in our Income Statement
- If losses are managed well/lower than expected, Partner's net revenue is higher (revenue from FinWise less losses paid to FinWise)

Cash Reserve Pledge Account: *fintech partner places cash in a Bank controlled deposit account at an agreed percentage of loan balance*

- FinWise has the right to access the cash reserve account for losses if/when they occur
- The percentage in this account is determined based on underwriting criteria and loss rate expected on the loan category and frequency on which the account must be replenished (generally weekly)
- If account is not replenished, the partner is in default of the agreement and FinWise can withhold credit enhancement and loan servicing revenue until account is replenished

Income Statement Impact to FinWise

- ▲ Increases net interest income and net interest margin (gross basis)
- ▲ Increases provision expense, but this is fully offset dollar for dollar in non-interest income by recognizing the guarantee (Credit Enhanced Income)
- ▲ Increases non-interest expense for the partners' servicing of the loans and providing their credit guarantee. The amount of the total servicing and guarantee expense is determined as the difference between the contractual revenue received less the amounts contractually retained by FinWise
- ▲ Stabilizes earnings as the guarantor absorbs credit losses and provides FinWise a stable yield, after costs

Risk Profile and Materiality to FinWise

Product Risk Profile:

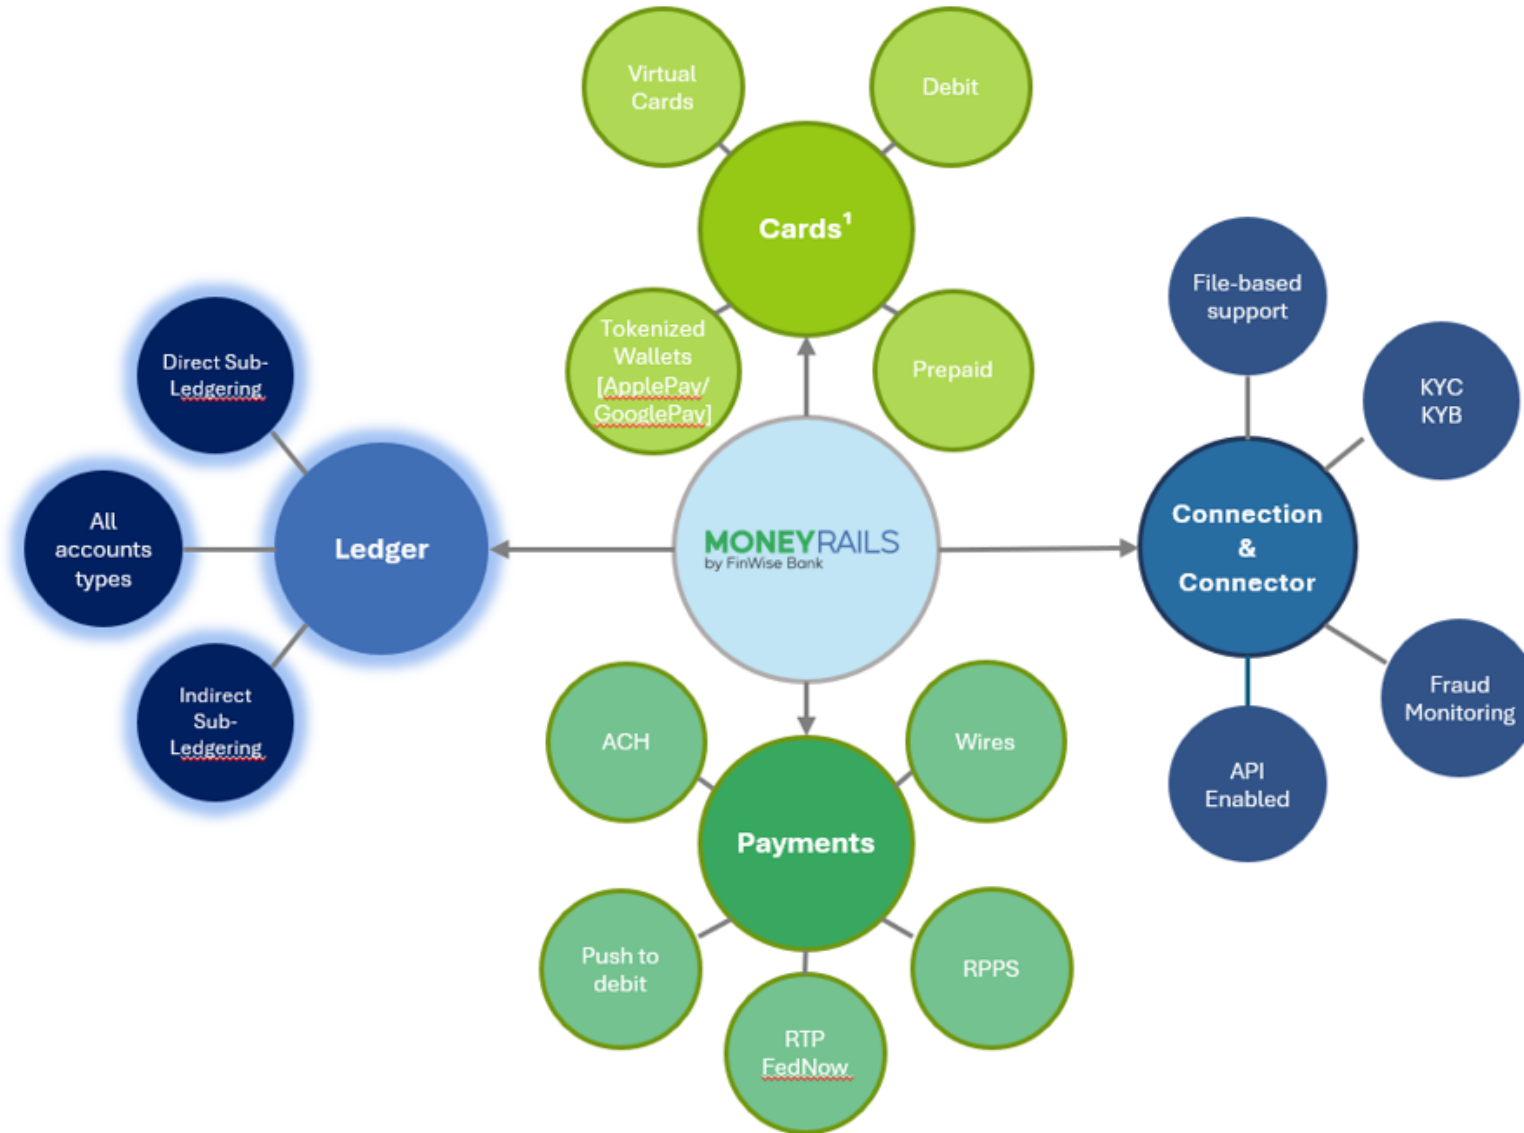

- Significantly reduces net credit exposure to FinWise

Materiality to FinWise (product fully launched in mid-2025):

- \$109 million in Credit Enhanced balances as of 3/31/2026²
- Significant opportunity for growth exists as product adoption increases and new fintech partners are added

¹The fintech partner refers the borrower through joint marketing efforts, and FinWise originates the loan. ²The difference between the credit enhancement loan balance reported in the Q4 2025 earnings release (\$117.9 million) and the Form 10-K (\$108.1 million) as of December 31, 2025, reflects \$9.8 million in checks received but not yet processed by a fourth-party vendor. This amount was reclassified to "Other Assets" as a non-loan receivable as of year-end.

MoneyRails™ Overview and Map of Services

MoneyRails™ is an Award Winning, Proprietary, Centralized, Secure Platform and Ledger that Facilitates Money Movement

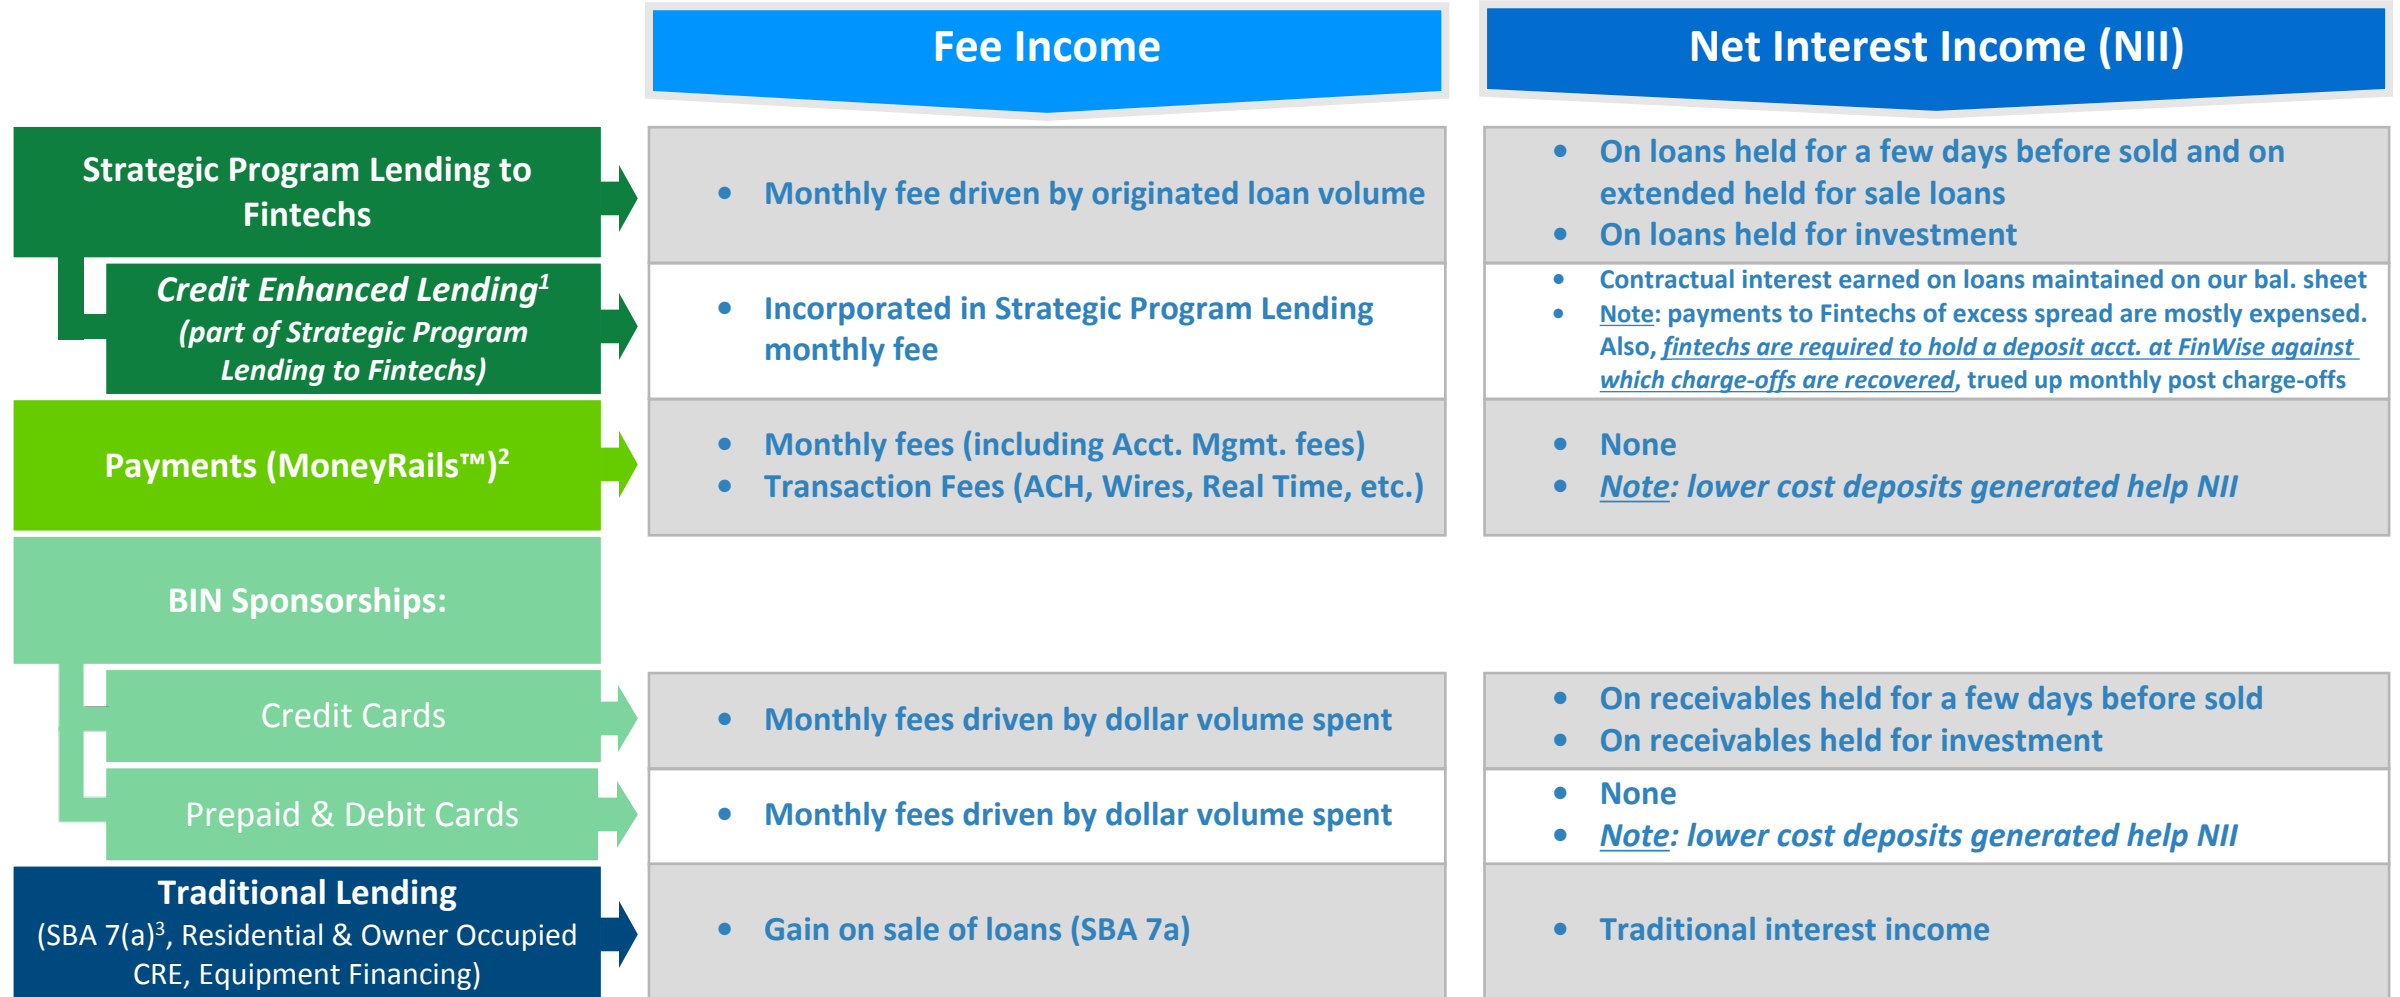

- **Highly secured platform** built on ZeroTrust architecture, and based on an immutable ledger of transactions
- The **Ledger provides a strong foundation with controls**, standing instructions and connectors for third-party integrations
- Fintechs **can build their own experience** using APIs without dependency on FinWise
- Provides **tokenized and virtual card servicing capabilities**, which enables incoming/outgoing payments and card mgmt. to be housed in a central hub

¹ Cards will be available in 2H 2026. NOTE: Currently Live: Ledgering, ACH, RTP, FedNow, Wires, RPPS, File-based support, KYC/KYB Connector, API enabled, Fraud Monitoring

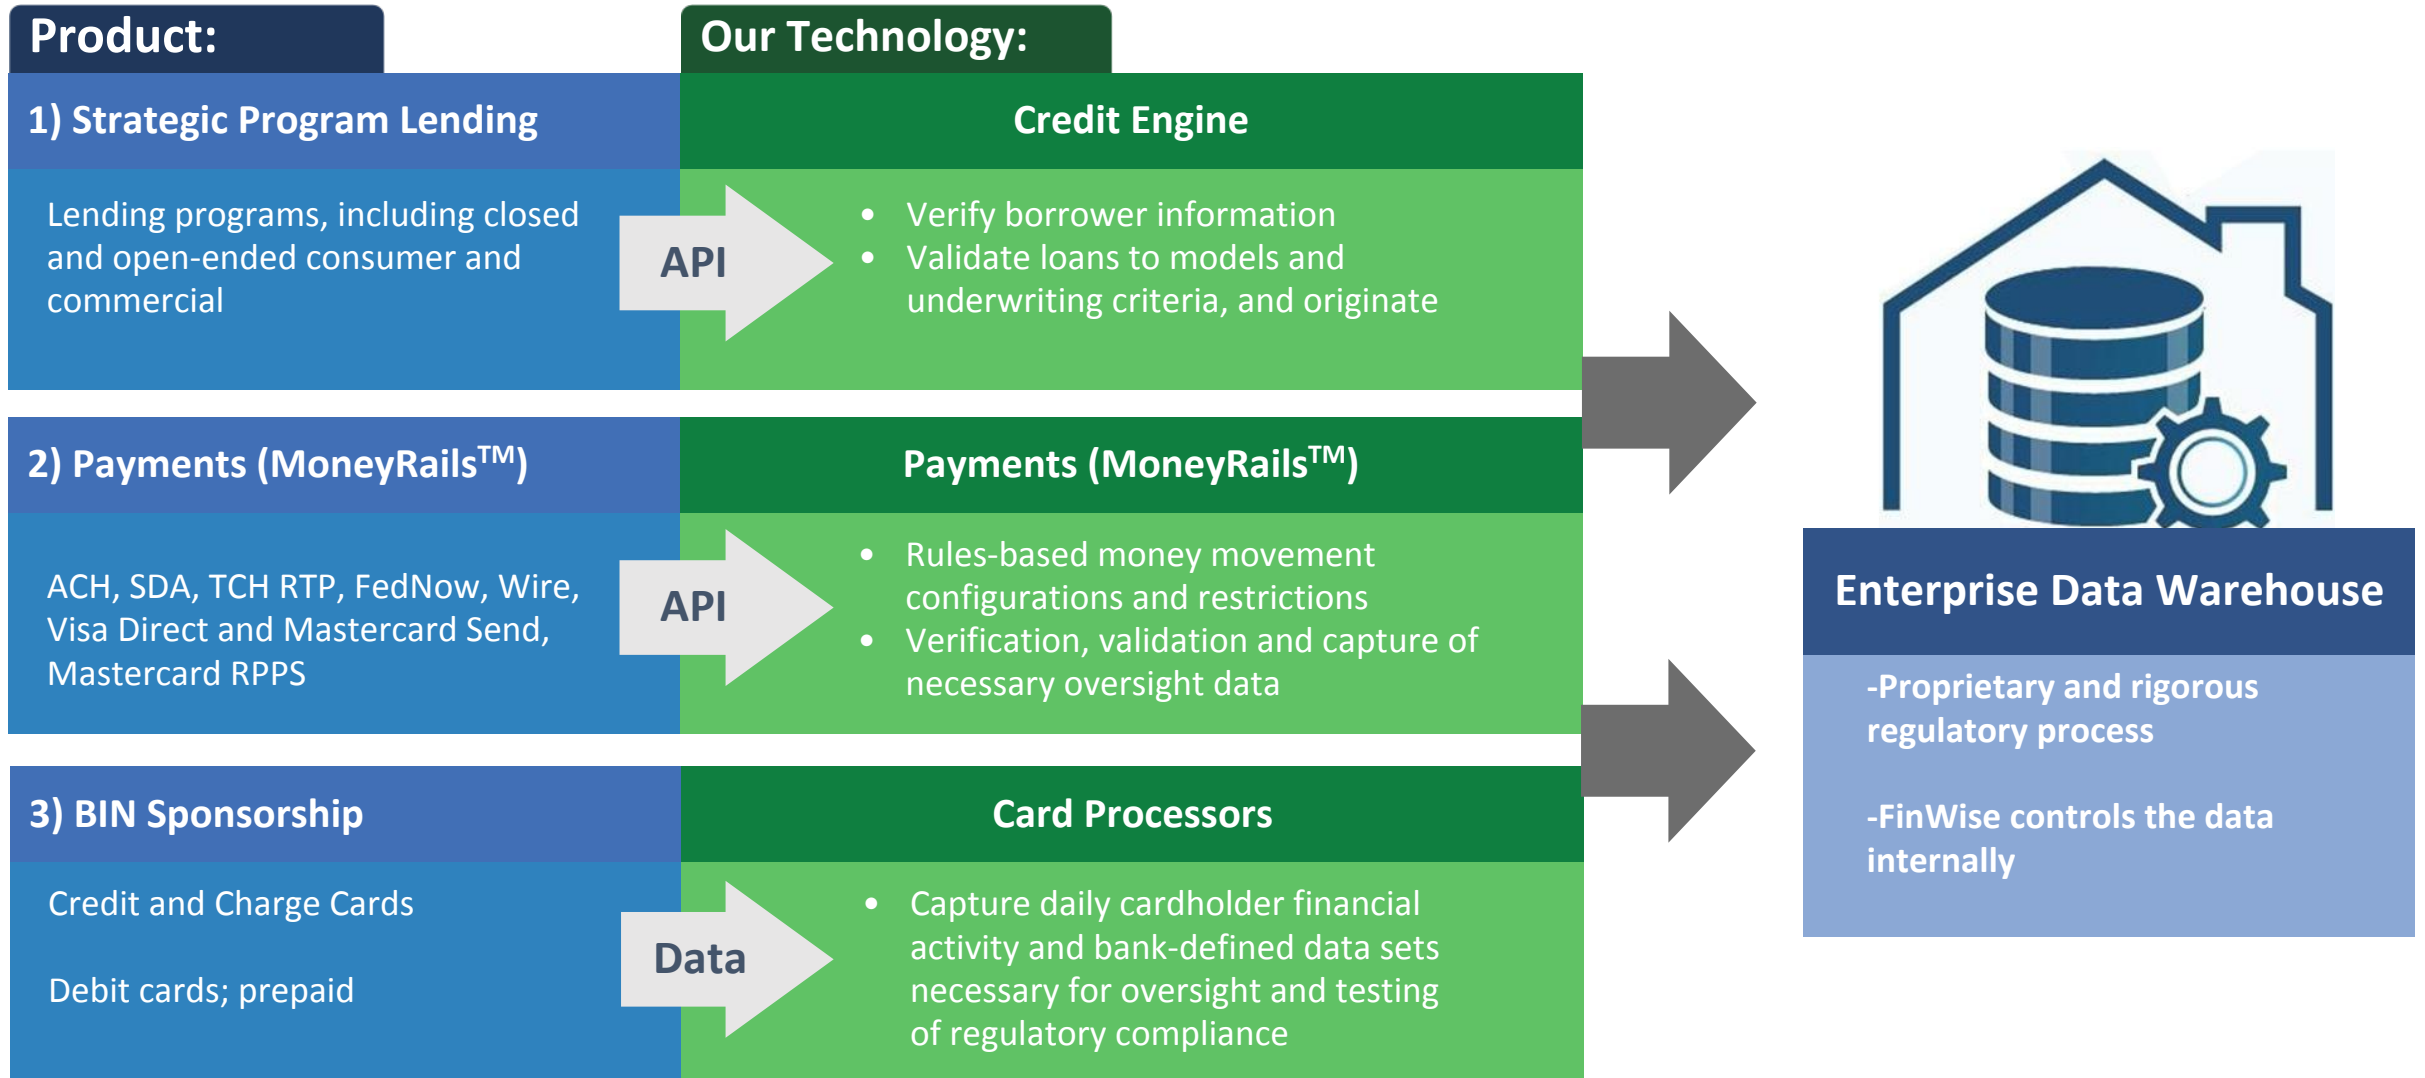

A Deeper Dive Into Our Diversified Revenue Model

Type of Revenue Generated by Product

¹ As part of Credit Enhanced Lending agreement, Fintech is required to hold a Loss Reserve Account at FinWise. The provision for credit losses associated with the credit enhanced loan portfolio is different from core portfolio provisions because it's fully offset by the recognition of future recoveries pursuant to the partner guarantee of an exact amount described as credit-enhancement income in our non-interest income. ²MoneyRails™ enhances fee revenue opportunity in SPL and Cards. ³SBA Guaranteed loans are guaranteed by U.S Small Business Administration and Strategic Program Loans (HFS) are supported by reserve deposit accounts.

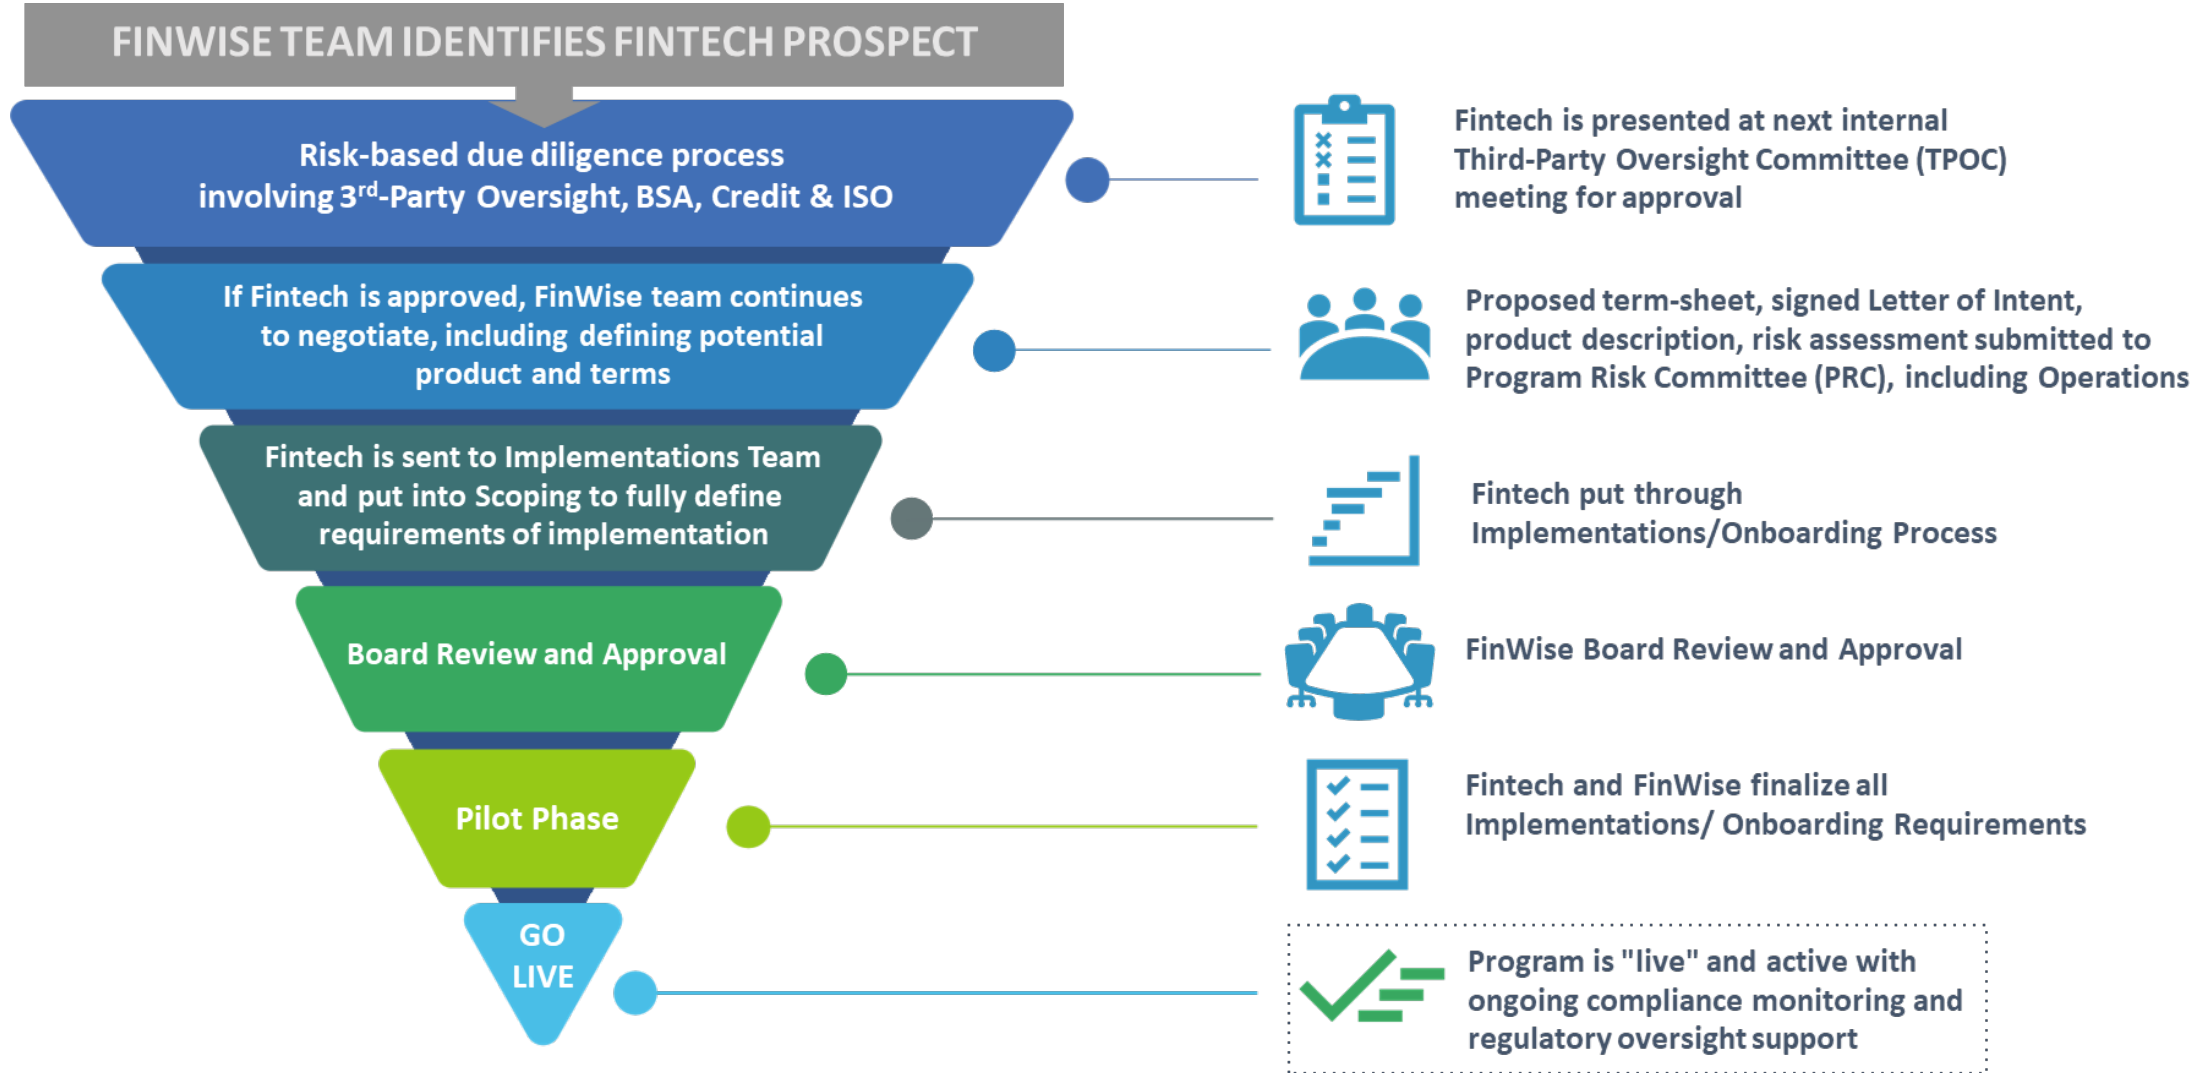

Components of Model Enable Scaling and Regulatory Oversight

Intensive Due-Diligence Process and Compliance Assessment

Representative Fintech Onboarding - a Thorough Selection Process Including:

Disciplined Underwriting Process Mitigates Risk...

- Credit risk is managed through combination of policy, data and pricing
- **Disciplined underwriting process and well collateralized portfolio** has helped mitigate net charge-offs, even as credit quality normalized due to an elevated interest rate environment
- **Remain well-reserved: ACL/Total Gross Loans HFI of 6.5% at end of 1Q26.**
 - *SBA guaranteed balances as % of Total Gross Loans HFI* have declined as we continue to sell guaranteed portions of SBA loans due to favorable market conditions
 - *Strategic Programs HFI balances as % of Total Gross Loans HFI, have increased partly driven by higher Credit Enhanced balances*
 - ***Provision for loan losses and net charge-offs have increased partly due to higher Credit Enhanced balances.** *The provision for credit losses on these loans differs from the core portfolio, as it is fully offset by expected recoveries under the partner guarantee, recognized as credit enhancement income in non-interest income. For Strategic Program (SP) loans with credit enhancement, FinWise is fully reimbursed for any net charge-offs, as fintech partners are required to maintain a deposit account at FinWise, which is used to recover these charge-offs.*

ACL, SBA Guaranteed and SP HFI Balances as % of Total Gross Loans HFI*

Net Charge-offs by Loan Type
(Most of our NCOs come from SP Loans)

*For SP loans with credit enhancement, FinWise is fully reimbursed for any net charge-offs, as each fintech partner is required to maintain a deposit account at FinWise, which is used to recover these charge-offs. The provision for credit losses on these loans differs from the core portfolio, as it is fully offset by expected recoveries under the partner guarantee, which is recognized as credit enhancement income in non-interest income. [^]During 4Q25, we further refined our servicing and administrative standards, which resulted in accelerated classification of certain loans to nonperforming status and earlier recognition of related charge-offs. *ACL = Allowance for Credit Losses; SP = Strategic Programs; HFI = Held for Investment.

...and Leads to a Diversified and Lower Risk Loan Portfolio

Lower Risk Portfolio:
~47% comprised of SBA Guaranteed, Strategic Programs (HFS) and Strategic Programs (HFI) with Credit Enhancement Loans

Key Quarterly Trends:

- **Combined SBA Guaranteed, Strategic Program Loans Held-for-Sale (HFS) and Strategic Programs (HFI) with Credit Enhancement** comprised a total of **47% of the portfolio** as of 1Q26.
 - **These products carry lower credit risk:** SBA Guaranteed loans are guaranteed by the U.S Small Business Administration, Strategic Program Loans (HFS) are supported by reserve deposit accounts, and with Strategic Program Loans (HFI) with Credit Enhancement, FinWise is fully reimbursed for any losses, as each fintech partner is required to maintain a cash reserve deposit at FinWise, which is used to recover these charge-offs.
- **SBA Unguaranteed loans declined** from 15.7% of the portfolio as of 1Q25 to **14.9%** as of 1Q26 - while the absolute dollar amount of these loans remained relatively stable, the decline as a percent of the portfolio is primarily attributable to overall balance sheet grown, especially in Credit Enhanced loans.
- **SBA Guaranteed balances have declined** as we continue to sell amounts of the guaranteed portion of SBA loans.

Portfolio Characteristics:

- **SBA:** Average FICO is 740+. Average time in business is 12+ years. Top 3 industries by Unguaranteed balances: eCommerce, Law Firms and Health Care.
Note: Our SBA loss rate has been approximately 74% lower than the SBA 7(a) industry for all originations since 2014.
- **CRE Non-SBA (12.3% as of 1Q26) is 97.7% Owner Occupied**

¹Total Loans includes Held for Investment (HFI) and Held for Sale (HFS). NOTE: Commercial (Non RE) is mostly Equipment Leasing.

Deposit Composition

Total Period End Deposits: \$674.9 Million (as of March 31, 2026)

Opportunity to enhance profitability by gradually diversifying deposit composition away from higher-cost CDs and reducing cost of funds

Industry Recognition as a Top-Performing Bank

Independent Banker

FinWise Bancorp ranked #1 in its respective class (for the 3rd year in a row) for Best Performing Banks

(based on 3-year average pre-tax ROA)

2022 2023 2024

AMERICAN BANKER

FinWise Bancorp ranked in top 3 on American Banker's annual list of Top-Performing Publicly Traded Banks with under \$2 billion of assets

(based on 3-year average ROAE ending 12/31/23)

2022 2023 2024

FinWise Bank was ranked as one of the 50 fastest growing companies in Utah based on revenue growth over five years.

2022 2023 2024

Selected Financial Information

Consistent TBV Growth Ahead of Peers Has Delivered Strong Shareholder Value

Tangible Book Value Per Share (Non-GAAP)¹

Indexed Change in Total TBV Since the End of Q421¹ vs Select Bank² and Fintech Peers³

¹See Appendix at end of presentation for full description of metric and Non-GAAP reconciliation. Amounts are as of the end of each respective period. Indexed percentage change is calculated based on total TBV, not TBV per share. FinWise Bancorp began trading under the symbol "FINW" on the NASDAQ exchange on 11/19/21. ² Bank Peers defined as: Oregon Bancorp, Inc., Quaint Oak Bancorp, Inc., University Bancorp, Inc., BayFirst Financial Corp., CF Bankshares Inc., Meridian Corporation, Coastal Financial Corporation, Capital Bancorp, Inc., FS Bancorp, Inc., Blue Ridge Bankshares, Inc., First Internet Bancorp, Nicolet Bankshares, Inc., Triumph Financial, Inc., Live Oak Bancshares, Inc., Merchants Bancorp, The Bancorp, Inc., Cross River Bank, Metropolitan Bank Holding Corp., Capital Community Bank. ³Fintech Peers defined as Atlanticus Holdings Corporation, Oportun Financial Corporation, LendingClub Corporation, Pathward Financial, Inc. Note: Bank level Call Report financial data used where holding company consolidated financials unavailable; 4Q 2025 financial data used where 1Q 2026 holding company consolidated and bank level Call Report financials are unavailable Source: S&P Capital IQ Pro

Solid Originations and Significant Balance Sheet Growth

Total Loan Originations (\$B) ¹

Total Assets (\$M) ³

Total Loans Outstanding HFI ² (\$M)

Total Deposits (\$M) ³

¹Originations will reflect seasonality from our largest student lending partner during peak student borrowing months. ²HFI = Held for Investment. Y/Y percentages reflect rounding. ³Q/Q decline in Total Assets was primarily due to decreases in interest-bearing cash deposits, loans held-for-sale and loans-held-for-investment. Total Deposits declined Q/Q as excess funds were not required to support a lower level of assets. Note: Total Loan Originations are for the quarterly period. Other amounts are as of the end of each respective period.

Growing TBVps and Sustained Historical Profitability

Tangible Book Value per share (Non-GAAP) ¹

Net Income (\$M)

1Q26 Net Income impacted by lower gain-on-sale, reflecting elevated levels in the prior quarter following the reopening of the government shutdown, as well as an increase in net-charge-offs.

ROAE partly impacted by intentionally maintained high capital levels.

Return on Average Assets (ROAA)

Return on Average Equity (ROAE)

¹See Appendix for more information and Non-GAAP reconciliation. Tangible Book Value per Share (Non-GAAP) as of the end of each respective period.

Diversified Income Sources

Net Interest Income & Net Interest Margin (NIM)

Non-interest Income

Net Interest Income and Net Interest Margin (NIM) are impacted by lending activities including growth in the Credit Enhanced portfolio

¹For accounting purposes, Credit Enhancement Income is fully offset by a corresponding credit loss provision related to credit enhanced balances, thus not having a net effect on the Company's net income. ²All Other Non-interest Income includes all other non-interest income items, excluding Strategic Program Fees and Credit Enhancement Income.

Disciplined Expense Management (adjusting for Credit Enhancement Expense)

Total Non-interest Expense (\$M)

- All Other Non-interest Expense¹
- Credit Enhancement Servicing/Guarantee Expense
- Salaries & Employee Benefits

Increase in total non-interest expense in 1Q26 and 4Q25 mostly due to increases in Credit Enhancement Servicing and Guarantee Expense resulting from growth in credit enhanced loans.

Outlook Commentary: Remain focused on positive operating leverage; Expense growth to be correlated to revenue production.

NOTE: reported efficiency ratio was 66.3% in 1Q26². Adjusting for credit enhancement related accounting gross ups to net interest income, non-interest income and non-interest expense, the core efficiency ratio was 65% for 1Q26.

	1Q25	4Q25	1Q26
Full Time Employees (FTEs)	196	198	210
Efficiency Ratio (Non-GAAP) ²	64.8%	50.5%	66.3%

¹All Other Non-interest Expense refers to all other expense components within Total Non-interest Expense, excluding Salaries & Employee Benefits and Credit Enhancement Expenses. ²See Appendix at the end of the presentation for Non-GAAP reconciliation

Well Capitalized Above Regulatory Requirements

Total FinWise Bancorp Shareholders' Equity to Tangible Assets Ratio

Leverage Ratio – Bank Level

Capital levels remain well above the recently lowered well-capitalized regulatory requirement of 8%¹, pursuant to the Community Bank Leverage Ratio (CBLR) framework adopted by the Bank in 2020.

Note: data as of the end of each respective period. ¹On April 23, 2026, the Federal Reserve, FDIC, and OCC jointly adopted a final rule lowering the CBLR requirement from 9% to 8%, effective July 1, 2026.

Goodwill	—	—	—
Other intangibles	—	—	—
Less: total intangible assets	—	—	—
Tangible shareholders' equity¹	\$ 196,607	\$ 193,195	\$ 177,361
Tangible book value per share¹	\$ 14.34	\$ 14.15	\$ 13.42

Efficiency Ratio

(\$ in thousands)

	For the Three Month Period Ending		
	March 31, 2026	December 31, 2025	March 31, 2025
Non-interest expense	\$ 28,338	\$ 23,651	\$ 14,318
Net interest income	28,090	24,568	14,280
Non-interest income	14,627	22,282	7,810
Adjusted operating revenue	\$ 42,717	\$ 46,850	\$ 22,090
Efficiency ratio²	66.3 %	50.5 %	64.8 %

- (1) Tangible shareholders' equity: This measure is not a measure recognized under GAAP and is therefore considered to be a non-GAAP financial measure. Tangible shareholders' equity is defined as total shareholders' equity less goodwill and other intangible assets. The most directly comparable GAAP financial measure is total shareholder's equity to total assets. The Company had no goodwill or other intangible assets as of any of the dates indicated. The Company has not considered loan servicing rights or loan trailing fee asset as intangible assets for purposes of this calculation. As a result, tangible shareholders' equity is the same as total shareholders' equity as of each of the dates indicated.
- (2) Efficiency Ratio: This measure is not a measure recognized under United States generally accepted accounting principles, or GAAP, and is therefore considered to be a non-GAAP financial measure. The efficiency ratio is defined as total non-interest expense divided by the sum of net interest income and non-interest income. The Company believes this measure is important as an indicator of productivity because it shows the amount of revenue generated for each dollar spent.

Non-GAAP Reconciliations (continued)

Adjusted Efficiency Ratio

(\$ in thousands)

	For the Three Month Period Ending		
	March 31, 2026	December 31, 2025	March 31, 2025
Non-interest expense (GAAP)	\$ 28,338	\$ 23,651	\$ 14,318
Less: credit enhancement program expenses	12,526	7,685	13
Adjusted non-interest expense	15,812	15,966	14,305
Net interest income (GAAP)	28,090	24,568	14,280
Less: credit enhancement interest	12,526	7,685	13
Adjusted net interest income	15,564	16,883	14,267
Total non-interest income (GAAP)	14,627	22,282	7,810
Less: credit enhancement income	5,864	12,801	85
Adjusted non-interest income	8,763	9,481	7,725
Adjusted operating revenue	\$ 24,327	\$ 26,364	\$ 21,992
Adjusted efficiency ratio ³	65.0 %	60.6 %	65.0 %

(3) Adjusted Efficiency Ratio: This measure is not a measure recognized under United States generally accepted accounting principles, or GAAP, and is therefore considered to be a non-GAAP financial measure. The adjusted efficiency ratio is defined as total non-interest expense, adjusted for credit enhancement program expenses, divided by the sum of net interest income and adjusted non-interest income, adjusted for credit enhancement income.

Glossary of Terms Used

- ACH (The Automated Clearing House).** Electronic funds-transfer system that facilitates payments in the U.S. and internationally. The ACH is run by Nacha.
- API (Application Programming Interface).** Set of defined rules that enable different applications to communicate with each other. It acts as an intermediary layer that processes data transfers between systems, letting companies open their application data and functionality to external third-party developers, business partners, and internal departments within their companies.
- Banking-as-a-Service (BaaS).** Banking model in which licensed banks integrate their digital banking services directly into the products of other non-bank businesses. This allows non-bank businesses to offer their customers digital banking services such as mobile bank accounts, debit cards, loans and payment services, without needing to acquire a banking license of their own. The bank's system communicates via APIs and webhooks with that of the non-bank's business, enabling the end customer to access banking services directly through the non-bank's website or app.
- BIN (Bank Identification Number) Sponsorship.** BIN sponsorship allows fintech businesses to quickly gain direct access to the payment processing and card management services provided by the likes of Visa or Mastercard without going through the process of joining a major card scheme. It provides fintechs with quickest way to launch a financial product with a debit, credit or prepaid card attached.
- Credit Enhanced Lending.** FinWise generates interest income from existing and potential new strategic programs through contractual interest earned on loans maintained on the FinWise balance sheet. Fintech strategic programs using this product are required to hold a deposit account at FinWise against which charge-offs are recovered, and which is trued up monthly post any charge-offs.
- FedNow.** The clearing service for financial institutions to provide immediate end-to-end payments to customers. The key difference between this service and the Fed's previous system is that FedNow will be online 24/7, processing transactions in real time.
- HFI (Held for Investment).** When a reporting entity holds an originated or purchased loan for which it has the intent and ability to hold for the foreseeable future or to maturity or payoff, the loan should be classified as held-for-investment. Loans held for investment are reported on the balance sheet at their amortized cost basis.
- HFS (Held for Sale).** When a reporting entity originates or purchases a loan with the intent to sell the loan to another entity (e.g., a government sponsored enterprise).
- Mastercard RPPS (Remote Payment and Presentment Service).** Mastercard RPPS optimizes electronic bill payment by connecting banks to billers. It offers a single, reliable connection for electronic payment providers to help with fast & secure consumer bill payments.
- Mastercard Send.** Mastercard's offering in the real-time personal payments arena. Senders can immediately make "push payments" to bank accounts, mobile wallets, prepaid debit cards, or targeted cash-out locations. The sender can initiate a Mastercard Send transaction with just the recipient's debit card number.
- MoneyRails™** is FinWise's Payments hub, which is a single-window platform through which companies can execute all their payments, and issue virtual cards. MoneyRails also provides the ability to safeguard funds in an array of account types: FBO and subaccounts to satisfy FinTechs' deposit needs, as well as traditional Savings, Checking, Certificate of Deposits, etc. . Payment hubs increase fund control and visibility, reduce the risk associated with numerous fragmented payment processes, and improve overall operating efficiency.
- NIM:** Net Interest Margin
- SBA 7(a) loans.** Small-business loans issued by a private lender and partially backed by the U.S. Small Business Administration.
- SMBs.** Small to medium-sized businesses.
- Strategic Program Lending - SPL (sometimes referred as Marketplace Lending).** Lending predominately done through fintech platforms that connect borrowers with lenders.
- TBV:** Tangible Book Value
- The Clearing House RTP.** A real-time payments platform that all federally insured U.S. depository institutions are eligible to use for payments innovation. All RTP payments are processed by The Clearing House. When you pay your utility bill for the month using RTP, your bank sends message to network which includes the details of the payment. The Clearing House then processes the message and routes it to utility company's bank, completing the payment.
- Visa Direct.** A type of Original Credit Transaction (OCT) that allows fast and secure payment transfers to customers using their card details. Unlike with other payment methods, where it can typically take up to 24 hours for the funds to be transferred to the customer, Visa Direct transactions normally complete near-instantly.
